## NYERI MUNICIPALITY

### CITIZEN FORA NYERI TOWN MAIN TRANSPORT TERMINI LAUNCH REPORT

The Nyeri Town Main Transport Termini project was launched on 19<sup>th</sup> June 2019. The occasion was graced by H.E. Hon. Mutahi Kahiga, Governor, Nyeri County. The occasion was attended by; Municipal administration & board members, Members of Nyeri County Assembly, National Government Officers, Nyeri County officers, key stakeholders and members of public.

The Chairman introducing members of the Nyeri Municipal Board

Participants during the project launch

The County Government of Nyeri through the municipal administration hopes to achieve five (5) outputs

- a) Expand Nyeri town CBD
- b) Reduce Traffic and human congestion in CBD
- c) Create more business opportunities
- d) Remove the dumpsite at Asian quarter
- e) Create urban aesthetics

The project will be done in two phases. When complete, the termini will have various components that includes: -

1. 240 Matatu, Bus, Taxi, Tuktuks loading and offloading bays.
2. 1000 business stalls
3. 100 booking bays
4. 40 parking bays
5. 98 passengers waiting bays
6. 5 sanitation blocks
7. High capacity elevated water tanks
8. Modern solid waste chamber.
9. Police post
10. KPLC sub station
11. 0.369 hectares for garages
12. 0.13 hectares – open air market

The 1st phase will be within one year which will accomplish bulk of the works. The expected output in the 1<sup>st</sup> phase includes:

- 230 matatu loading and offloading bays
- 31250m<sup>2</sup> – Cabro paved roads
- 600 business stalls
- 40 public parking bays
- 40 booking booths
- 20 passengers waiting bays
- 3 sanitation blocks
- A revenue office
- 2 elevated water tanks
